

Patagonia

In addition to the picturesque Lake districts of Argentina and Chile, The Moreno Glacier, Terra del Fuego and the charming city of Buenos Aires - this trip takes in the two most scenic national parks in Patagonia, a region renowned for its pristine natural beauty. We begin our journey by flying to the lake district of Argentina and Chile from where we travel to The Paine National Park in Chile and the Glacier National Park in Argentina. They are world famous for the incredible near vertical sided rock monoliths rising sheer out of the surrounding glaciers and ice dotted lakes. We continue our journey to Tierra del Fuego and to the town of Ushuaia which is surrounded by mountains and overlooks the Beagle Channel. From here we fly back to Buenos Aires and home.

This is an active holiday where we have day walks and stay in comfortable Hosterias – which are the equivalent of 3* European Hotels. The food and wine available is also excellent. We shall be travelling by plane, bus and catamaran. Please confirm early - to ensure a place as making hotel bookings in this part of the world is difficult.
